Please allow my son/daughter to leave school as arranged prior to the start of their CCP class. I understand that he/she will receive academic credit for the off-campus course. I have monitored my student’s progress toward graduation and take full responsibility for the decision to participate in the College Credit Plus program. This waiver provides my permission for my son/daughter to walk to Shawnee State University’s campus. By signing this document I will not hold the school (Portsmouth STEM Academy) liable for my son/daughter while attending College Credit Plus program.
